

2016 Engine Pro SOD by ARP Banquet Honors Champion Brian Smith

The Engine Pro Sprints On Dirt presented by ARP 2016 Awards Banquet took place at the Battle Creek (MI) Holiday Inn on Saturday, November 5. A night packed with light-hearted fun and heavy-weight awards capped off a great 2016 season with the crowning of Brian Smith as champion.

Merritt Speedway 2016 SOD Championship Trophy

The drivers honored at the banquet will forever be remembered as those who made the new, unlimited Sprints On Dirt one of the most memorable changes in sprint car racing history.

SOD president John Naida served as event host and emcee and opened the festivities by recognizing SOD promoter partners Butler Speedway, Crystal Motor Speedway, Hartford Speedway, I-96 Speedway, Merritt Speedway, Thunderbird Raceway, and Winston Speedway. Lexi Adgate, a competitor in a handful of 2016 SOD events herself, then began the presentation of trophies and awards.

Maxim Racing provided Mark Aldrich, Brett Mann, Eric Smith, Robert Huisken, and Tyler Bearden with contingency awards. In addition, birthday boy Josh Turner was presented with a birthday cake during his introduction.

SOD recognized RacingAwareness.com for its efforts. RacingAwareness.com and Racing Awareness Inc. are two separate

entities that were created with the sole intent of providing children and their families from Helen DeVos Children's Hospital, of West Michigan, who are experiencing or have experienced an illness or injury of a child, a diversion from the healthcare process utilizing the sport of auto racing. Banquet trophies and awards presenter Lexi Adgate was one of the original kids that Racing Awareness "adopted."

Attendees were presented with a few facts about the 2016 season. There were five rain outs and threatening weather on five other dates, but the first season under the new unlimited format was still a great success. Car counts were equal to 2015 in spite of several no-shows due to weather. The on-track product was exceptional with only one spin out for every 986 laps run. Seven drivers, Brian Smith (3), Ryan Ruhl (2), Chad Blonde, Stuart Brubaker, Steve Irwin, Max Stambaugh, and Doug Zimmerman, won features.

In spite of only ten events completed, competitors were well rewarded. Brian Smith was awarded \$6,440 in cash and awards. \$1,295 in cash and awards was the least amount awarded to the member drivers present. Engine Pro Sprints On Dirt presented by ARP awarded competitors \$41,110 above and beyond purse payouts in 2016.

Engine Pro Sprints On Dirt presented by ARP would like to thank everyone whose extra effort made the banquet a perfect close to the 2016 season. Thank you to Motor City Racing Promotions Scott Menlen and Laura Tucker for set-up and tear-down. Thank you to Pat Holzinger and Kathie Naida for handling registration. Thank you to Wendy Rominger and the staff of the Battle Creek Holiday Inn for their superb facility and services. Thank you to Thomas Michael for photographing the banquet.
