

Thank You from Mark Zimmerman

Happy New Year racers, fans, marketing partners, Speedways

The 2022 racing season is almost upon us. I would like to take a moment to reflect on 2021. A new beginning for Sprints On Dirt under the tutelage of Mr. Denny Donaldson and Mr. and Mrs. Bob Garrett. Mr. Donaldson is a legendary racer and owner of Butler Motor Speedway. Mr. Garrett is a multi time track champion at Galesburg Speedway, and promoter of Butler Motor Speedway.

I would like to thank our marketing partners. Without their loyalty & dedication to this sport, 2021 wouldn't have been possible.

To our racers.

What a great year. Your enthusiasm, etiquette, and professional manner made this series possible. Without all of your support, all of this wouldn't have been possible. Teams, owners, drivers, dads, and moms, the sacrifices are too many to list. Travel, coordinating, purchases, and timing are everything in our business. You are the best. I personally have extremely enjoyed this great endeavor. Congratulations to each and every one of you for a great year. Good luck in 2022.

To the staff.

Thank you for your dedication and loyalty. Every single night you brought a demeanor for perfection that set the tone. Always striving to provide the competitors with the most possibilities of competing at the highest level throughout the night. Your attention to detail is amazing.

To our fans.

I just wanted to say thank you. Wow your passion is unbelievable. The desire it puts inside us to get to the track to see all of you is overwhelming. No amount of gracious compliment can explain our thanks to you. Our program only really starts when we hear your cheers.

In Closing

I would like to personally thank each and everyone of you for your support. For those of you that I confided with behind the scenes. Your valuable information and sacrifice during hours of conversation will not be forgotten. To my personal family for their sacrifices and support I'm very grateful. I have thoroughly enjoyed being the series director for this first class organ. The only way I can describe the experiences I've had is utterly rewarding. At this time I will not be returning to series director due to personal reasons.

Sincerely,
Mark A Zimmerman
